ABOUT US

Doha Call Line (DCL)

Engineering Comfort. Building Excellence.

Doha Call Line (DCL) is a Qatar-based multidisciplinary company providing HVAC Solutions, Civil Works, MEP Services, and Interior Decoration for residential, commercial, and industrial projects.

With over a decade of experience, we have grown from a trusted cooling solutions provider to a reliable engineering and construction partner known for quality, safety, and timely delivery.

Our skilled team delivers end-to-end solutions—from planning and design to execution, testing, commissioning, and maintenance—ensuring every project meets the highest standards and exceeds client expectations.

HVAC SOLUTIONS

Design, supply, installation, testing and maintenance of air conditioning, ventilation and refrigeration systems.

CIVIL WORKS

Structural works, concrete works, masonry, plastering, tiling, and all related civil construction services.

MEP SERVICES

Mechanical, Electrical & Plumbing services including HVAC, electrical systems, plumbing, firefighting, and more.

INTERIOR DECORATION

Interior design, fit-out, ceiling, flooring, painting, partitions, lighting and all interior decoration works.

WHY CHOOSE US

EXPERIENCED TEAM

Skilled professionals delivering excellence in every project.

QUALITY & RELIABILITY

We ensure high standards of workmanship and dependable service.

SAFETY FIRST

We follow strict safety standards to ensure a secure working environment.

CLIENT FOCUSED

Understanding client needs and delivering customized solutions.

INTEGRATED SOLUTIONS

HVAC, Civil, MEP & Decoration services under one roof for efficient delivery.

SUSTAINABILITY

We promote energy-efficient practices and sustainable project solutions.

VISION • MISSION • CORE VALUES

PAGE 2

VISION

To become a leading engineering and construction service provider in Qatar, recognized for quality, innovation, reliability, and sustainable solutions.

MISSION

To deliver high-quality HVAC, Civil, MEP, and Interior Decoration solutions through expertise, integrity, and commitment to exceeding client expectations.

CORE VALUES

QUALITY

We deliver quality workmanship in everything we do.

SAFETY

We prioritize safety for our people, clients and projects.

INTEGRITY

We operate with honesty, transparency and fairness.

INNOVATION

We embrace new ideas and technology to deliver better solutions.

SUSTAINABILITY

We are committed to environmental responsibility and a sustainable future.

TEAMWORK

We believe in collaboration to achieve excellence.

OUR COMMITMENT

We are dedicated to delivering safe, quality and sustainable projects that create long-term value for our clients and community.

OUR SERVICES

PAGE 3

HVAC SOLUTIONS

Design, installation and maintenance of all types of air conditioning, ventilation and refrigeration systems.

OUR SCOPE

- ✓ Load calculation & system design
- ✓ VRF/VRV, Chilled Water & DX systems
- ✓ AHU, FCU, FAHU & RAHU installation
- ✓ Ducting, insulation & air distribution
- ✓ Testing, commissioning & maintenance

CIVIL WORKS

High-quality civil construction with strength, durability, safety and timely completion.

OUR SCOPE

- ✓ Structural works (RCC, steel & masonry)
- ✓ Concrete works & formwork
- ✓ Roads, paving & infrastructure works
- ✓ Excavation, backfilling & compaction
- ✓ Finishing & refurbishment works

MEP SERVICES

Integrated MEP solutions ensuring efficient, safe and reliable building performance.

OUR SCOPE

- ✓ Electrical Power Distribution (LV/MV)
- ✓ Lighting, Emergency & Exterior Lighting
- ✓ Plumbing & Sanitary Systems
- ✓ Fire Alarm, Fire Fighting & Gas Systems
- ✓ BMS, ELV, Data & Communication
- ✓ Testing, commissioning & maintenance

INTERIOR DECORATION

Functional and aesthetic interior spaces tailored to client requirements.

OUR SCOPE

- ✓ Interior design & space planning
- ✓ Gypsum works, partitions & ceilings
- ✓ Flooring (tiles, marble, vinyl, carpet, etc.)
- ✓ Painting, wallpaper & wall finishes
- ✓ Joinery, carpentry & custom furniture
- ✓ Lighting design & decorative works

OUR COMMITMENT

We are committed to delivering safe, high-quality, on-time and cost-effective solutions through skilled manpower, advanced technology and strong project management.

WHY CHOOSE US

10+ YEARS EXPERIENCE

Extensive experience in HVAC, Civil, MEP, and Interior Fit-Out projects across residential, commercial, and industrial sectors in Qatar.

SKILLED TECHNICAL MANPOWER

Qualified engineers, supervisors, HVAC technicians, electricians, plumbers, welders, and skilled workers ensuring precise project execution.

QUALITY ASSURANCE & QA/QC

Strict compliance with project specifications, inspection procedures, material approvals, testing, and QA/QC standards.

ON-TIME PROJECT DELIVERY

Efficient planning, resource management, and site coordination ensuring timely execution without compromising quality.

HSE & SAFETY COMMITMENT

Implementation of HSE policies, toolbox talks, PPE compliance, risk assessments, and safe working procedures.

INTEGRATED ENGINEERING SOLUTIONS

Complete HVAC, Civil, MEP, and Interior Decoration services under one platform for seamless project coordination.

OUR STRENGTHS

PROJECT MANAGEMENT

Professional planning, monitoring & control throughout the project lifecycle.

QA/QC CONTROL

Rigorous quality checks at every stage to ensure compliance with standards.

HSE COMPLIANCE

Committed to maintaining safe work environment and zero-harm objectives.

TESTING & COMMISSIONING

All systems tested, verified & commissioned for optimal performance and reliability.

SKILLED WORKFORCE

Experienced and trained workforce delivering precision and excellence.

COST EFFECTIVE SOLUTIONS

Value engineering approach to deliver high quality at competitive cost.

OUR TEAM & ORGANIZATION

PAGE 5

Our organizational structure is designed to ensure efficient project delivery, clear communication, and accountability at every level.

GENERAL MANAGER

Overall leadership, strategic planning, business development, and client relationships.

 ENGINEERS	 PROJECT MANAGERS	 SUPERVISORS	 TECHNICIANS	 SUPPORT FUNCTIONS
Delivering innovative, code-compliant, and cost-effective engineering solutions using advanced design tools and BIM technology.	Ensuring projects are completed on time, within budget, and to the highest quality through effective planning and coordination.	Overseeing site activities, enforcing safety and quality standards, and ensuring seamless execution of works.	Skilled workforce executing installations, testing, and maintenance to ensure reliable and efficient system performance.	Providing essential administrative, quality, safety, and operational support that strengthens our project delivery capabilities.
				

OUR TEAM STRENGTH

 EXPERIENCED & QUALIFIED TEAM Professionals with extensive experience in Qatar's construction industry.	 TECHNICAL EXCELLENCE Strong technical expertise in HVAC, MEP, Civil, and Interior fit-out works.	 COLLABORATIVE APPROACH Cross-functional coordination ensures efficiency and seamless project delivery.	 SAFETY & QUALITY FOCUSED Committed to HSE, quality standards, and continuous improvement.	 RELIABLE & CLIENT FOCUSED Dedicated to building long-term partnerships through trust, performance, and integrity.

DOHA CALL LINE

— ENGINEERING COMFORT. BUILDING EXCELLENCE. —

OUR STRENGTHS

We combine technical expertise, innovative solutions, and a client-first approach to deliver projects that exceed expectations. Our commitment to quality and reliability sets us apart.

EXPERIENCED TEAM

Our qualified professionals bring years of industry experience and technical expertise to every project.

QUALITY ASSURANCE

We adhere to international standards and best practices to ensure the highest quality in all our work.

INNOVATIVE SOLUTIONS

We leverage the latest technologies and innovative approaches to deliver efficient and sustainable engineering solutions.

SAFETY FIRST

The health and safety of our people and stakeholders is our top priority on every project.

ON-TIME DELIVERY

We are committed to efficient planning and execution to complete projects on schedule, every time.

CLIENT FOCUSED

We build strong relationships through clear communication, transparency, and dedication to client satisfaction.

COST EFFECTIVE

We optimize resources and processes to deliver maximum value without compromising on quality.

SUSTAINABLE PRACTICES

We integrate sustainable practices into our projects to minimize impact and build a better future.

BUILT ON TRUST. DELIVERED WITH EXCELLENCE.
